WOMAN USES PISTOL TO DRIVE MAN AWAY

Mrs. F. P. Miller Forces a Cowboy From House at Franklin.

Mrs. F. P. Miller, wife of Dr. Felix P. Miller, drove J. J. Paschal from a house on the mesa, near the town of Franklin, 13 miles northwest of El Paso, at the point of a pistol Friday, and Paschal was later arrested by a deputy sheriff and a charge of aggravated assault made against him. He secured his release on bond later.

Dr. Miller told the following story of the occurrence Monday morning: "We purchased 4900 acres of state land on the mesa near the station of Franklin on the Southwestern railroad in May, 1909. Of this I have farmed 20 acres by the latest dry farm methods and have secured quite a crop of melons, corn and other fodder. The ranchers in that section object to the farmers."

"The land we secured had been filed on by Paschal, but he had failed to live on it the required length of time and besides, it was declared by the attorney general forfeited because it was alleged he had not secured it for himself, but by collusion with other parties."

"Thursday night Pink and J. J. Paschal, whom I had permitted to water their cattle there, went into the house I had on the grounds and threw out everything belonging to Mrs. Miller's mother, Robert Hall, who was watching the place."

"The following day Mrs. Miller went out, and when J. J. Paschal pushed her out of the house she took her revolver from her pocketbook and made him get out. She suffered considerably from the shock, as she is in a delicate condition. We brought her to town in an automobile, and she is much better."

Paschal was taken to the tin mine and from there to town in a wagon. "They had been tearing down our fences out there and I had protested, but to no avail. Now I am going to enter suit to keep them away from the land which I have purchased from the state."

Pink Paschal, who was employed by J. H. Nations as ranch foreman for several years and claims that he lived on the property in question three years and had right to possession of it.

HIGHLAND PARK FIRE HOUSE PROVES ITS USEFULNESS.

The new fire station at Highland Park justified itself in Friday night's fire, when the grocery store and residence of Bert Swift, at the corner of Dakota and Copper streets, was burned at a loss of \$2500. The blaze was due to the station and a line of hose was laid, while unable to save the store, the adjoining building, but four feet distant, and valued at \$1500 or \$2000, was saved from destruction.

WACO POLICE SUSPECT RICH MAN WAS POISONED

FOR ECZEMA AND ITCHING SKIN

It gives me much pleasure to write you that your Imperial Remedy has proved to be the most reliable medicine I have ever used in the treatment of all curable skin eruptions. I have employed it in two cases of Eczema, one a chronic and the other an acute. Both were completely cured. It is the nicest preparation I have ever seen, no offensive odor, no disagreeable effects follow its application, as is generally the case with nearly all preparations for such diseases. It seems to go right down into the pores and purify the diseased parts. Dr. W. W. Stone, Edna, Texas.

For 25 years Imperial Remedy has been used in nearly every city, village and hamlet in the South for the cure of skin diseases. If you are a sufferer, a sure cure awaits you. For sale by all druggists at \$1.00 per bottle. Made by Imperial Medicine Co., Houston, Texas.

WATCH IS RECOVERED BY MEXICAN'S ARREST

Man Held on Charge of Being Drunk Had Valuable Timepiece.

On July 15, J. R. Welch, an ex-soldier, and said to be a member of a prominent Boston family, died at a local hospital.

Several weeks later a letter was received by the police department from the dead man's administrator at Fort Bayard, telling of the loss from the dead man's effects of a valuable gold watch, a family heirloom, and asking that a search be made for it.

Saturday a Mexican was arrested and docketed on a charge of drunkenness, and when searched at police headquarters, a heavy solid gold watch was among the effects on his person. Inside of the watch was the inscription, "J. R. Welch, from his parents."

The administrator of the dead man's estate has been advised of the peculiar finding of the heirloom and it will be restored to the heirs of the dead man, who reside in Boston, Mass. The Mexican told the police that he got the watch from a friend.

SMALL MEXICAN BOY

DISMISSED BY JUDGE LEA

Judge Lea of the police court Monday morning dismissed the charge of malicious mischief lodged against L. Lopez, a little Mexican boy about 9 years of age.

The arrest was made by officer B. N. Doak. The boy was charged with having thrown a ball through the window of a negro restaurant on Oregon street, while playing with a companion.

Young Lopez denied that he was the guilty party.

CHANGE OF TIME CAUSE

OF MISSING TRAIN.

Because he was from Selden, N. M., and did not know of the change in time of the Golden State limited, engineer Earl Patterson and Mrs. Patterson were forced to remain in El Paso another day.

They went to the station Monday to leave for Roswell. When they arrived there the limited had gone at 12:45 p. m., which is 20 minutes ahead of the old schedule.
